how to activate nib file in xcode using commandline , and also below questions are there. What is the minimum software version of the macOS/OS X that a macOS software update requires? A: The minimum version of macOS is 10.11 "El Capitan" or 10.13 "High Sierra". In this case, you need to make sure that your Xcode is updated to the latest version (if you didn't upgrade your Xcode already). The realtime rendering part is the OpenGL context running on the GPU. It's a software feature that is not limited to any specific version of macOS. Yes, there are several alternatives. Have a look at Metal or Core Animation. Rosemary Roberts (writer) Rosemary Roberts (born Rosemary Jane McMillan) (23 July 1899 – 12 October 1981) was an Australian poet, playwright and novelist. Early life Roberts was born in Charlestown, New South Wales, the daughter of a wheat grower. She was educated at Katoomba Public School and the Sydney Conservatorium of Music, but left before graduating to join a theatrical company in the West Country, where she married in 1921. While touring the country with her husband, they also made the acquaintance of Eileen Redmond, and, through her, met Arthur Hugh Clough (1874–1957), who became the object of their infatuation. Roberts' first novel, A Man's World, was published in 1922. Career Roberts returned to Sydney in 1926 and started writing for The New Yorker, contributing articles and poetry. She published several novels, three children's books, and eight plays. Roberts joined the Australian Broadcasting Commission in 1939. In 1946, she married Clement Roberts and moved to Brisbane. From that period, Roberts wrote many short stories and plays. In 1971, she moved to the United Kingdom, where she died. Awards In 1959, Roberts was awarded the Miles Franklin Award for her novel, Loose Camels. The book, which follows the life of a young Australian man, was published in London under the title, The Bell Tower. Roberts won the 1959 award, the first time it had been awarded for a novel, and the first time it was awarded for a work that was published in 82157476af
